

Have You Been Sick?

Perhaps you have had the grippe or a hard cold. You may be recovering from malaria or a slow fever; or possibly some of the children are just getting over the measles or whooping cough.

Are you recovering as fast as you should? Has not your old trouble left your blood full of impurities? And isn't this the reason you keep so poorly? Don't delay recovery longer but

Take

Ayer's Sarsaparilla

It will remove all impurities from your blood. It is also a tonic of immense value. Give nature a little help at this time. Aid her by removing all the products of disease from your blood. If your bowels are not just right, Ayer's Pills will make them so. Send for our book on Diet in Constipation.
